

Reach an Objective Marker

Design Brief and Tech Spec

Intention:

- Give the player a goal to reach.
- Force the player to traverse the level.
- Giving the player a visual indicator to move towards.

Technical Spec:

- Visually represented
 - Diamond shape
 - Glowing
 - Floating above the ground
 - Rotating slowly
 - Bobbing up and down slightly
- Notice when you collide with it
- After reaching it, it disappears
- Notify some other system that it has been reached
